diane.straughen@penton.com.**

Advertising materials must be shipped prepaid to publication to arrive by the materials due date.

DIGITAL AD SPECIFICATIONS

PDF Format: Advertisers should submit PDF and PDF/X1-A files that are prepared for press-optimized printing in CMYK with fonts embedded. For an Acrobat Distiller job-options file

and more information on creating acceptable PDF files, visit www.pentonads.com. PDF files lack the ability to be edited or altered (i.e. phone number, address, etc.)

- **Preferred Applications:** Ad layouts should be created using either QuarkXpress™; or Adobe InDesign®. If submitting application files, provide all supporting graphics and fonts.
- **Proofs:** Text and element proof required to assist in preflighting digital ad files. For critical color match, a digital halftone proof (i.e. Kodak Approval, Dupont Digital Waterproof, Fuji FirstProof, etc.) is required. Accurate color reproduction cannot be guaranteed without an accompanying SWOP-certified proof.
- **Photos:** 300 dpi, actual size; CMYK color model; .tif or .eps format; no JPEG compression.
- **Line Art/Text:** 600 dpi minimum; CMYK color model; .eps or .tif format with color preview. In PhotoShop, black text should be created in black channel only to avoid registration problems.
- **Color Tone Values:** To avoid over-saturation of ink, the total combined value of CMYK colors should not exceed 300% (i.e. C=100, M=100, Y=50, K=50). Any one color with a required value over 85% should be made solid.
- **Color Mode:** Ads should be converted to CMYK prior to submission as color shifts may occur. Ads received in RGB color will be converted to CMYK.

- **Fonts:** When submitting application files, include screen and printer fonts. On illustrations it is recommended to convert text to outline, however outline text cannot be altered.
- **Lettering:** Reproduce all reverse lettering with a minimum of colors. Type smaller than 8 point with fine serifs should be avoided.
- **Media:** Mac or IBM CD, Zip 100, floppy or FTP Upload: <ftp://adclient:adclient@ftpserver2.penton.com>/adclient/or email: diane.straughen@penton.com; (913) 967-1814; fax: (913) 514-6814.
- **Inserts:** Contact advertising representative for rates, production specs and shipping instructions or visit www.pentonads.com.
